

Let's get ahead together

We're looking for a Senior Data Analyst (ALL GENDERS)

Are you creative and enterprising? Are you looking for the freedom you need to flourish as a manager? Then join us! At Barclays you can achieve far more than you might imagine at a bank. And that's because we're not your typical bank. We look for people who are not only full of energy but who also dare to take on new challenges.

You can have a real impact at Barclays and help shape the company's future. Not only do you have the opportunity to develop your own skills, but you can also help your team progress and drive the company forward. So, set your career free. Start your new and exciting journey at Barclays.

What you can expect at Barclays

- A competitive base salary
- Homeoffice (60%remote/40% onsite)
- A flexible budget to use at your discretion (payments to employee savings schemes and other solutions)
- Significant employer contributions into a company pension scheme
- Company sports and fitness activities at special rates
- Bonuses on special occasions
- Up to 8 free tickets per season for the Barclays Arena
- 30 days leave (for a 5-day week)
- 2 work days available for community involvement, charity work or social outreach

Key Accountabilities

- Providing best in class analytics, transforming high level requests into focussed and specific analysis
- Responsible for monthly BAU reporting and control activity
- Working effectively with peers and management team to achieve shared business objectives
- Presenting and communicating results to Senior Management and driving stakeholder discussions
- Identifying new opportunities for enhancing/streamlining services
- Formulating opportunities into proposals, sharing with the manager and implementing
- Maintenance of credit criteria, models and strategies
- Maintenance of control monitoring and documentation of processes, procedures and strategies in relation to credit management

What we're looking for

- Understanding of the appropriate Credit Risk policies and standards
- Good relationship and stakeholder management skills - the jobholder will be required to build and maintain effective working relationships across the Risk Function, Germany team and wider Risk Function.
- Strong influencing and communication skills - be able to communicate complex concepts to a wide audience.

- Strong evidence of coordinated planning and delivery of planned activity.

Essential Skills/Basic Qualifications

- Bachelor's Degree in an empirical discipline (e.g. Computer Science, Economics, Maths, Physics, etc.)
- Working knowledge of consumer financial products
- Working knowledge and experience of credit risk management in consumer lending gained at a Bank or Financial Institution
- Working knowledge in the interpretation and application of Credit Risk policies
- Comprehensive knowledge and effective use of analytical tools including SQL and SAS. Proficient in Microsoft Excel, Word and PowerPoint
- Strong interpersonal skills, oral and written communication skills with ability to translate insight into a coherent story
- Ability to generate insights from data, assess the commercial / financial impact and recommend action, to find innovative ways to solve analytical problems and the ability to deliver accurate results within tight deadlines
- Strong attention to detail, and a real commitment to delivering high quality outputs which are right first time

What Barclays is all about

People are at the heart of everything we do at Barclays — both our customers and our employees. Giving people the opportunity to realise their full potential is incredibly important to us. Each and every one of our employees helps shape and enrich our unique corporate culture. A creative and diverse team is precisely what makes our mission possible, which is to reinvent payments and finance and give people the freedom to live how they want. More than 1.5 million customers are already benefiting from our renowned credit cards, instalment loans and even our brand-new financing offer in partnership with Amazon. It's no surprise then that we're one of Germany's leading online banks with more than 750 colleagues in Hamburg.

Apply now

We're looking for colleagues who are bursting with new ideas and are also full of energy to put them into practice. If you're interested in joining our dynamic team and helping Barclays develop, we would love to meet you. Please send your application to karriereaussichten@barclays.de, complete with all required documentation (CV, certificates & references). Please also indicate your expected salary, earliest possible start date and include the following reference number: 102/2022.
